Notary Guiding Principles
(As defined by the National Notary Association)

As a Notary Public, you are a Public Official bound by the laws of your State and not by anyone else, including an employer, friend, associate or family member.

1. Always follow state law that requires the signer to be in your physical presence every time you notarize, without exception.
2. Always have the signature on the document affixed or acknowledged in your presence.
3. Always obtain identification that contains a photograph, physical description and signature.
4. Always confirm that the signer is not being coerced and is willingly signing the documents you notarize.
5. Always attach a Notary certificate if wording is not already printed on the document.
6. Always notarize only the documents that are complete and without blank spaces.
7. Always use a seal when you notarize, and be sure to keep it in your custody and control at all times.
8. Always refrain from giving advice to signers unless you have the professional training and credentials to do so.

National Notary Association (NNA) Training and Screening Process

Old Republic Title expects all Signing Professionals to complete an enhanced comprehensive Notary training and certification program similar to that offered by the NNA. This enhanced training should include privacy training (see screening requirements attached).

Old Republic Title expands upon the National Notary Association's (NNA) guiding principles and training for certified signing specialist standards.

Our expectations of Signing Professionals include::

Please be courteous to the consumer and limit phone calls between the hours of 9:00 am and 9:00 pm local time. Do not reassign. If the Signing Professional is unable to keep a signing appointment, the Signing Professional shall cooperate with Old Republic Title to have another Signing Professional attend. - Old Republic Title will contact the Signing Professional to check his/her availability to witness the signing. Signing Professional is an independent contractor and is not obligated to accept any signings offered by Old Republic. The signing date requested could be anywhere from the same day to 30 days from the current date. - 24 hours prior to the scheduled signing, the Signing Professional is responsible for calling Old Republic Title to confirm he/she is still able to witness the signing.
- Old Republic Title will email the Signing Professional a link in a secure email including the password for the professional to retrieve the secure signing package and will call to inform the Signing Professional it is available.

- The Signing Professional must arrive at the signing location 10 minutes prior to the scheduled signing time. If this timeframe could potentially be missed, the Signing Professional must contact the customer immediately and Old Republic Title at 888-406-5166 to inform both parties of the delay, in order for all parties involved to be properly informed.
- If the customer is not present at the scheduled time, the Signing Professional must contact the customer every 10 minutes after the scheduled time at all contact numbers provided. After 30 minutes, the Signing Professional is permitted to leave, but must notify Old Republic Title immediately of the failed signing.
- On the same day the signing is complete, the Signing Professional must fax back the documents (if required for that particular signing) to 888-314-9503 after which the Signing Professional is required to return the entire signed package via FEDEX using the prepaid label provided in the closing package.
- Payment for services rendered will be paid by Old Republic Title in an efficient manner after the loan disburses. If the signing is cancelled at the signing table, Old Republic Title will pay the Signing Professional a negotiated trip fee. The Signing Professional will never request or accept payment from the customer for the services rendered.
- All quotes or extra fees must be approved in writing before services are provided.

Deceased Party Notification

If the notary or attorney discovers at the signing that one of the borrowers is now deceased, the signing must be stopped and immediate communication must be made to Old Republic Title OR SigningPro Team at ORTSignings@oldrepublictitle.com.

Consumer Complaint Tracking

How to handle consumer complaints

Our organization has an obligation to communicate with our customers anytime we become aware of a consumer complaint. We are committed to providing exceptional treatment while resolving consumer issues and will provide detailed information via reports to our customers of any complaints received.

Definition of a Complaint:

A written or verbal allegation that a Consumer has suffered or may suffer financial loss, distress or inconvenience related to the Consumer's personal experience with a product or service provided by Old Republic.

What to do when you receive a complaint?

Email consumercomplaints@oldrepublictitle.com. Provide the following information within the email:

1. Order No.
2. How was the complaint received?
3. Who submitted the complaint?
4. Nature of the complaint?

Definition of a Complaint:

A complaint is a situation in which a borrower demonstrates dissatisfaction with the handling of or the resolution of the underlying issue which results in the borrower:

- Requesting to go on record as being dissatisfied with the condition or resolution of a service request, or
- Referencing legal or media assistance, or
- Requesting to escalate their problem to your supervisor, manager, general manager, etc.

Borrower Complaint Trigger Language

If a borrower uses complaint trigger language and the borrower's issue is not resolved by the first point of contact, then the complaint must be escalated. Trigger language includes reference to "go on record," reference to media or legal assistance, or requests to escalate a problem beyond immediate management. Examples of complaint trigger language include:

- I'm going to contact the news media.
- I'm going to contact the radio station, so they can tell everyone.
- I'm going to call my attorney.
- This is not legal.
- I want the number/address for your president, so that I can call/write a letter.

- I want to talk to your supervisor/manager.
- I expect you to respond to my problem in writing.

Borrower Criticism and Media Buzz

It is important that you are able to distinguish borrower complaint trigger language from other types of language a borrower may use which is considered a criticism or media buzz. Criticism and media buzz language are not tracked as a complaint. Below are examples of customer criticism and media buzz language: 530 South Main Street, Suite 1031, Akron, OH 44311, Phone (866) 235-4326, Fax (888) 816-7626

Borrower Criticism Language examples:

- Your company is horrible.
- Your fees are too high and I don't like them.
- I am going to tell all of my neighbors about this.

Borrower Media Buzz Language examples:

- You're charging all of these fees to make up for your losses.
- I heard the president of this bank on the news last night.

Notice- in the examples of criticism and media buzz language, the borrower does not request to “go on record”, reference media or legal assistance, or escalate beyond immediate management. Complaints must be reported immediately after the signing appointment and no later than 24 hours after the appointment time. Criticism and media buzz (as in these examples) does not necessarily need to be reported, but when in doubt, please report to the Old Republic Title OR SigningPro Team and allow us to make that determination.

PLEASE SIGN AND RETURN:

The undersigned Notary hereby certifies that he/she has read and fully complied with the above instructions and will, if necessary, agree to resign the borrowers, rectify and/or correct without charge any error or omission due to Notary's failure to comply with the above instructions.
